22 March 2011

Devro plc
(“Devro” or the “Group”)

Capital Markets Event

Devro plc, the world’s leading manufacturer of collagen products for the food industry announces that it will be hosting a capital markets event in London later today for investors and analysts. The event will include a series of presentations which will be made by Peter Page, Chief Executive, and members of the senior management team. Copies of the slides will be available on the Group’s website after the event.

Following the Group’s preliminary results which were issued on 21 February 2011, no update on current trading or other price sensitive information will be provided during the event.
